MEMORANDUM FOR [REDACTED]  
CENTRAL INTELLIGENCE AGENCY

1. I understand that State Department comments on the paper of May 23 dealing with the functions of the PSB were given to you by telephone last Saturday.

2. In addition to these comments, there is attached an informal memorandum giving my views on certain points which were made in General Magruder's paper on the philosophy behind the PSB. I would appreciate it if you could circulate this memorandum to those who received General Magruder's paper, since I think it may bring out more clearly certain differences in conception as to the functions of the new Board.
